RUTH TIGIST GEBRETSION

ELECTRICAL & COMPUTER ENGINEERING STUDENT & WEB DEVELOPER

Email: ruthtigistu685@gmail.com
Phone: +251 969048154
Location: Addis Ababa, Ethiopia

EDUCATION

Sep 2024 – Jul 2029

Electrical & Computer Engineering
Addis Ababa University
Developing a strong foundation across core electrical and computer engineering subjects, including circuit analysis, electronics, digital systems, programming, and engineering mathematics. Applying engineering problem-solving and computational skills to understand technical systems, develop practical solutions, and build a foundation in software and technology.

PROFILE

Electrical & Computer Engineering student with an interest in web development and technology. Building practical digital projects while developing engineering problem-solving, technical, and programming skills.

PROJECTS

2026 – Present

Personal Portfolio Website
Designed and developed a personal portfolio website using HTML and CSS. Created a responsive layout with dedicated sections for personal information, projects, skills, CV, and contact. Focused on clean visual design, navigation, and user interaction.

TECHNICAL SKILLS

HTML & CSS	Web page structure, styling, and responsive layouts
Web Development	Personal portfolio and website development
Python	Programming fundamentals and problem solving
Problem Solving	Logical and algorithmic thinking

INTERESTS

Web Development • Robotics & Technology • Engineering • Programming
